# Men's Fleece Lined Underwear. 39c

Heavy Well Made Garments, 50c Values; All Sizes, from 32 to 42.

To men who favor this manner of underwear this announcement holds decided interest. The garments are made full in size, are of a good weight and a bona-fide fifty cent value. It is shown in but one color-light blue. It is heavily fleeced on the inner surface and is sold at this price for one cause only—the demand for space caused by the incoming of holiday wares. The cold weather and the extremely low price that we quote coupled with the real worth of the garments themselves will cause active buying as long as the supply lasts. You will find these just inside the door to the right at 39c.
